

## HOW TO LABEL YOUR QUILT AND BAG

You must have a "stand up" kind of bag. the kind that has a flat bottom.

Each quilt has its own bag and tag # - the # for your quilt entry can be found on the blog under quilt show 2016 ... click on quilt forms ... then click on Quilt show entries.

### On the Index card:

Your Last initial at least 2- 2 1/2" tall on the left side. On the right side, in smaller letters your entry # followed by your Last name and then your first. This is to be stapled or pinned (safety pins only) to the bag so it is visible.

### On the tag:

Your last initial followed by your quilt entry #. If quilt is to be judged please tie a red ribbon to the bag's handle.

This is to be pinned to the back of quilt on the BOTTOM of the right side of quilt (back of quilt facing you).

If your quilt is being judged please cover your personal label with masking tape or if you prefer, a piece of fabric pinned over it.
