

75 West Baker Street, Manchester NH 03013

Dear NECC Quilting Friends,

Thank you for your donation of the beautiful quilts!

Since 2004, we have helped over 320-homeless Veterans as residents in our transitional house. Additionally, we have approximately 100 visits each month from struggling Veterans in need of food, clothing, housewares, furniture, bus passes, gas cards, day jobs, and limited financial assistance.

We do not accept any local, state or federal funding for two reasons. First, we aren't bogged-down with "red tape" and regulations that take away from serving our Veterans. Second, we can maintain our foundational behavioral expectations (i.e., no alcohol/drug use, fully participate in recovery work, follow House rules, maintain meaningful employment, etc.). Instead, we rely solely on the generous support of people like you.

On behalf of all the Veterans that we serve and the Liberty House team I want to thank you for your donation. If you are ever interested in visiting Liberty House please don't hesitate to reach out.

Sincerely,

Jeffrey S. Nelson  
Executive Director
