

## Scrappy Postage Stamp Color Play

Have you ever heard someone say if you don't like a fabric, you haven't cut it small enough?

This quilt is from the book "Color From The Heart" by Gai Perry. I went through most of the quilts in this book with a friend of mine. I thought the first one would be a great class to show how almost any fabric will work if you cut it small enough.

Using a multitude of fabrics, we will construct a postage stamp wall hanging. This class will help get you to loosen up with your fabric selections.

Using an assortment of fabrics include the following:

- Small, Medium, and Large Prints,
- Light, Medium, and Dark Values,
- A variety of fabric patterns (stripes, plaids, florals, textures, etc.)
- Include at least one yellow and one gold print.
- Also include a bright red and a dark red and 2 turquoise fabrics.

Cut 3 - 2" squares from 40 different fabrics. For a total of 120 squares.

Separate them into 2 sets of 60. Put each set into a paper lunch bag.

**Come to class with fabric squares cut and in paper bags.**

Other supplies

- Sewing machine in good working order,
- Thread,
- General sewing supplies
- Quilters 2" fusible grid interfacing (optional but very helpful)
