

How to Easily Quilt Any Size Quilt - cutting for Kit

E-mail if you have questions asds@adelescott.com

Note: I use pre-quilted fabric to simulate my quilted sections; if you have quilting practice pieces to use, that would also work.

Please mark and pin together all your technique pieces with the technique number/ name so you can find them easily.

During class only take out the technique pieces we are working on to prevent mistakes.

[have extra fabric available, in case of error]

Technique #1 – Reversible quilting

3 – 11” x 3 ½” strips of cotton, 2 the same & 1 different fabric for top

3 – 11” x 3 ½” strips of cotton, all the same for backing

3 – 11” x 3 ½” 987F Pellon fusible fleece or cotton batting

Prep: fuse 987F Pellon fusible fleece or glue stick cotton batting strip to wrong side of top strips

Techniques# 2 – Stitch n’ flip quilt as you go

1 – 5” center square,

2 – 5” x 2 ½” rectangles & 2 – 2 ½” x 9” of the same color for the first border around the center square

2 – 2 ½” x 9” rectangles & 2 – 2 ½” x 13” for the second outer border

1 each 13” square of backing and cotton batting
